

NCATE Steering Committee

1999-2001

A Steering Committee, composed of representatives from every professional preparation program in the Unit as well as a support department was convened in October 2000, for monthly meetings through the NCATE Visit in March 2002. The purposes of the Committee are to: Coordinate the planning for the NCATE Visit, serve as leaders and contact points for each of the specific programs, and develop an overall Conceptual Framework for the Unit.
